Greetings from Principal Franklin

Dear Southwest Academy Families:

Welcome to the 2023-2024 school year! On behalf of the Southwest Academy faculty and staff, I would like to welcome our incoming sixth grade students, and our returning seventh and eighth grade students.

Our focus this year is *It’s Harvest Time!* Over the past two (2) years, our school community, students, staff, and families, were successful in resetting and getting back to traditional school as we know it. As a community we have sown positive seeds and now… *It’s Harvest Time!* We will **harvest** student achievement by relentlessly providing our students with rigorous and responsive instruction, and holding them to our school’s high expectations- socially, emotionally, behaviorally, and academically.

This year, so many enhanced learning and support opportunities will be available at SWA! We welcome our new ESOL program and our Targeted Assistance Grade 7 Math program. And, we are now Community School! A Community School functions as the hub of the neighborhood, uniting and strengthening families, educators and community partners as an evidence-based strategy to promote equity and educational excellence for each and every child. Please be sure to attend Back-to-School Night for more information.

Southwest Academy staff will intently continue our work on **responsiveness** to ensure that we are meeting the needs of ALL students EVERY day. *Tiger Talk*, our weekly advisory, was a huge success last year. That momentum will extend to the 23-24 school year. During the 30-minute *Tiger Talk* period on Wednesdays, educators throughout the building will explicitly teach social emotional and executive functioning skills, build positive relationships and rapport with the students, implement academic and behavioral goal setting, and monitor students’ achievement. This additional layer of support will ensure that we are sowing into the whole child and meeting the distinct needs of the adolescent learner. Again- all to support our sustained focus on increased academic achievement.

Families, we cannot **harvest** increases in achievement without the mutual support and commitment of each and every family. We are counting on families to partner with us to provide a thriving learning environment by monitoring your children’s academic, behavioral, and social emotional progress; communicating with teachers and staff; attending school events and PTSA meetings; and reinforcing learning at home.

In preparation for the school year, please note the following important information:

- **Early Entry Grade 6 Welcome**: Thursday, August 24, 2023 (8:05 a.m.-11:50 a.m.).
- **Grade 6 Back-to-School Night**: Wednesday, September 13, 2023, 5:00 p.m.-7:00 p.m. More information is forthcoming.
- **Grades 7 and 8 Back-to-School Night**: Wednesday, September 20, 2023, 5:00 p.m.-7:00 p.m. More information is forthcoming.

Please continue to check your email, BCPS ([www.bcps.org](http://www.bcps.org)), and the Southwest Academy ([https://southwestms.bcps.org](https://southwestms.bcps.org)) websites for ongoing district and school updates.

Lastly, please review all contents of this handbook. It is a resource to ensure an optimal teaching and learning experience. And, remember, *It’s Harvest Time*!

Looking forward!
April N. Franklin, Principal

- For students requiring a dismissal before the end of the school day, parents/guardians should email Ms. Tori Boyd at tboyd2@bcps.org with the student’s name, grade, time, and reason for early dismissal.
- Unless emergent, there will be no early dismissals after 2:30 p.m.
Attendance/Lateness (See Board of Education Policy/Rule 5120 on the BCPS website.)
Students are expected to attend school regularly and on time (8:05 a.m.) every day.

Behavioral Expectations
Students are expected to adhere to the expectations outlined in the BCPS Student Handbook. Students are also expected to follow Southwest Academy’s Tiger P.O.U.N.C.E. Code of Conduct (see page 4).

Cafeteria Expectations
All period 3 classes will be escorted to the cafeteria. Students are expected to:
- Quietly walk with the assigned teacher to and from the cafeteria.
- Remain in the assigned seat in the cafeteria.
- Clean up the eating area by placing all trash in the trash cans when directed.
- Leave all food and drink items in the cafeteria, with the exception of bottled water.

Dress Code and Accessories
Proper dress is important in helping to create a safe and orderly learning environment. Students are expected to:
- Wear the appropriate uniform polo shirt (Grade 6- Navy Blue; Grade 7- Burgundy; Grade 8- Hunter Green) and khaki pants, skirts or shorts every day. Skirts and shorts must be an appropriate length for school. Appropriate length is defined as at or below longest fingertip when arm is extended along the side of legs. Pants must not sag below the waist.
- Students may wear a cardigan sweater or jean jacket. Since the building is fully air-conditioned, some of the rooms may be chilly. For safety purposes, students will not be permitted to wear outer wear
during the school day.

- Refrain from carrying book bags during the school day. All students are assigned lockers and are expected to use them to secure their belongings.

**Electronic Devices**

Students **MUST** come to school with a fully charged device and charger. **Loaner devices are not available.**

Southwest Academy Magnet School’s electronic device and cell phone policy is directly aligned with BCPS’ policy. Board of Education Policy and Superintendent’s Rule 5552 indicate that all personal devices are to be **OFF** and **AWAY** during the school day.

Students are only to use the BCPS-issued devices. Research shows that student cell phone use in schools is the source of several negative outcomes. Upon arrival, students must **POWER OFF** their personal devices and **PUT THEM AWAY**.

In order for our students to achieve at high academic levels, we must work together to limit disruptions to the instructional program. Thank you for your partnership in ensuring students’ undistracted focus on academic achievement, as well as their social and emotional safety.

School staff are able to assist students and families. For emergencies, please contact the main office at 443-809-0825.

- Southwest Academy Magnet School is not responsible for lost, stolen, or damaged personal electronic devices and equipment.
- Students may not use any electronic devices, including their personal cell phones, to harass other students or school staff. Students may not post inappropriate comments, photos, or videos of other students or school staff on social media sites.

**Extracurricular Activities**

Southwest Academy provides after school clubs/activities.

- Clubs are free to students. Some activities may require uniforms that may be at cost to the parent/guardian.
- Students must provide signed permission forms to attend after school clubs/activities.
- Students must be picked up no later than 10 minutes after the conclusion of the afterschool activity.
Grading and Reporting
BCPS commits to all stakeholders to provide equitable, accurate, specific, and timely information regarding student progress towards agreed-upon common course expectations, as well as feedback for next steps and growth areas. Grades will communicate what students know and can do.

Our Grading Practices
- Grading practices are supportive of student learning.
- Marking-period grades are based solely on achievement of course or grade-level standards. Classroom conduct, work completion, and ability to work with others will be reported separately using the BCPS Skills and Conduct Indicators.
- Students will have multiple opportunities to demonstrate proficiency.
- Grades are based on a body of evidence.
- A consistent grading scale will be used to score assignments and assessments in the Learning Management System (Schoology).
- Accommodations and modifications will be provided for exceptional learners.

Students are expected to:
- Come prepared with the appropriate class supplies and materials, including the BCPS-assigned, fully charged electronic devices and chargers.
- Complete and submit assignments on time.
- Reflect on and articulate their learning. Students can do this in many ways: orally, in writing, or using an electronic format.
- Set goals that can easily be tracked by the teacher and themselves.
- Use teacher feedback and opportunities to redo and resubmit assignments based on feedback.
- Students are encouraged to attend teacher coach class sessions for additional academic support.

Make Up Work
It is the student’s responsibility to acquire and complete make up work.

Library Media Center
The Southwest Academy Library Media Center is open each school day from 8:05 a.m. to 2:50 p.m. In order to visit the Library Media Center students are expected to:
- Obtain a pass from the teacher to visit the library.
- Return all borrowed material promptly. Students with outstanding library obligations (fines/overdue books) will lose library privileges.

Lockers
Hallway and Locker room lockers are available for student use and will be assigned at the beginning of the school year. Periodic general inspection of lockers may be conducted by the principal and/or the assistant principal for any reason at any time.
Students are expected to:
- Refrain from sharing their locker combination.
- Refrain from sharing lockers with any other student for any reason.
- Use lockers at the appropriate times- before and after school, and at the beginning and end of the Physical Education class. Any other time, students should obtain permission from the teacher to go to their lockers.
Physical Education Classes

Uniforms

It is the policy of the BCPS Office of Physical Education (PE) that every student is required to wear a PE uniform and to actively participate in the physical education program. Students not wearing the appropriate uniform pose several safety issues related to hygiene, restricted movement, and noticeability. Students who do not change into athletic apparel have to wear sweaty clothes to the rest of their classes, which poses hygienic concerns. In addition, their movement is restricted, which prevents students from completing certain tasks or making tasks more difficult. Lastly, having students wearing a school PE uniform makes them easily recognizable, especially when classes are outside on the fields.

The required PE uniform consists of the following:

- SWA PE Shirt or Athletic Shirt
- SWA PE Shorts or Athletic Shorts
- Socks
- Tennis Shoes
- Students may also wear sweatpants and a sweatshirt under the PE uniform.
- Locks for the assigned PE locker are also required. Each student will have their own locker. **Students are responsible for bringing a combination lock to safely secure their personal belongings, including BCPS laptops, during PE class.**
- School-approved drawstring bag to carry PE uniform throughout the day.

Uniforms will be available for pre-order and purchase using the following website: [https://swamiddlepe2023.itemorder.com/shop/home/](https://swamiddlepe2023.itemorder.com/shop/home/)

Safety Procedures

Entry into the Building

The safety of our students, staff, and visitors is a top priority. To ensure the safety of our staff and students, please adhere to the following:

- Students must follow all BCPS and SWA safety procedures.
- Students should not open any doors for anyone.

Visitor Safety Procedures

Visitors are encouraged to make appointments. All visitors must adhere to the following:

- Visitors must be individually screened at the entry door.
- Visitors must report directly to the main lobby upon entry, show identification to stationed office staff, and use rapture system to sign-in.
- Visitors must be escorted throughout their time in the building.
- Visitors must sign-out with staff in the main office before exiting the building.

Emergency Drill Procedures

Safety drills are held periodically. Teachers are trained to direct students based upon the indicated emergency. To ensure a safe and orderly environment, students should do the following:

- Stop what they are doing when the alarm sounds or when an emergency announcement is made.
• Remain silent and follow all teacher directions immediately. Remain with their class unless directed by a staff to do otherwise.
• Follow rules and expectations outlined in the BCPS Student Handbook and in this SWA Family Resource Manual.

If we are in a lockdown, parents/guardians will not be allowed to enter the building. Parents/Guardians will have to await direction from the school’s safety personnel.

**Student Identification Badges**
Once issued, students must always have their BCPS student identification badges. Students may be asked for identification before boarding school buses. In addition, students are required to have their BCPS identification badges in order to attend all school-sponsored events and field trips.

**Student Support**

**School Counseling**
During school hours, School Counselors are available for students, parents and guardians to assist in whatever way is needed.

• For non-emergencies, arrange an appointment with the appropriate counselor by completing the electronic School Counseling Request Form, which is located on each school counselor’s Schoology page. Students will be sent an email and Schoology message with the time and date of the appointment.
• Parents/Guardians should call the School Counseling Office at 443-809-0949 if they have questions or need assistance.
• During school hours, School Counselors may also be contacted via email:
  o Ms. Goodman, Grade 6  jgoodman4@bcps.org
  o Ms. Jacobs, Grade 7 kjacobs@bcps.org
  o Ms. Carter, Grade 8 mcarter8@bcps.org

**Health Procedures**
**Your child should be kept home if he/she is not feeling well. Please do not send you child to school sick.**
The nurse is available during the school day in the health suite. Students are expected to:

• Notify their teacher of their symptoms. The teacher will contact the nurse prior to the students’ arrival.
• Have all medications housed in the Health Suite. According to Baltimore County policy, students must not carry any prescription or non-prescription medication at any time in the school building.
• Return to class promptly upon leaving the Health Suite.

**School Resource Officer**
The presence of the School Resource Officer (SRO) is to ensure a safe and orderly learning environment. The SRO is responsible for promoting positive relationships among local law enforcement agencies, students, and the community at large.
Transportation

**Bus Discipline Procedures and Consequences**

**Behavior on the School Bus**

**Riding the school bus is a privilege.** This privilege may be temporarily denied or permanently revoked if misconduct jeopardizes the safe operation of the school bus or the safety of students riding the bus. School suspension is a possible sanction.

**Behavior or activity jeopardizing the safe operation of the school bus or interfering with the welfare of other vehicle occupants is prohibited.** The school bus operator will report promptly and in writing to appropriate administrative staff any conduct appearing to require disciplinary action. After administrative staff evaluation, appropriate disciplinary action will follow. A copy of the disposition will be returned to the school bus operator.

The code below classifies unacceptable behavior into four levels. The examples are not exhaustive but illustrative. Additionally, all consequences are dependent upon the severity and frequency of the behavior. The Office of Transportation reserves the right to consider extenuating circumstances in determining disciplinary action.

### Video/Digital Cameras and Audio Recording Devices

School buses are equipped with video/digital cameras and audio recording devices. These tools monitor the passenger area of the bus. As such, you are subject to audio surveillance. The objective is to provide an important additional tool to assist the driver and administration in managing student conduct on school buses, an important safety consideration that benefits all.

### Water Fountains

Water fountains will not be accessible. Students must bring their own bottled water.

**Academics or a Class?**

Our chain of command is in place to encourage a relationship between the classroom teacher and parent/student. Therefore:

- The first conversation should be with the teacher.
- If you do not hear from the teacher in a reasonable time frame, or if you cannot resolve the issue with the teacher regarding an **academic** concern, the next step is to contact the **department chairperson**.
