The Compass: Our Pathway to Excellence

Principles are the foundation upon which we continue to build each year.

This year, we are dedicated to continuing the progress of our students, while still rooted in our vision, mission, and core beliefs. These

Principles form the foundation for our teaching and learning practices. Our focus on student achievement is centered on providing opportunities for all students to develop the skills and knowledge they need to succeed in life.

To provide our teachers with extended monthly planning and maximizing the most instructional time for students, we offer three days of professional development each month.

A few dates that are new to Lets but will be changing positions for the upcoming school year are:

- November 15th
- December 10th

Having a new faculty member to work with each year is exciting and welcoming them into the team.

With the above changes taking place next year, we will have several new faces in the building. A warm welcome to:

- Ms. Phillips
- Ms. Watson
- Ms. Davis
- Ms. Johnson

It is important to acknowledge our friends who have left Lansdowne ES and welcome others.

If you receive a phone call, please do not hesitate to contact the school.

We are proud of our achievements and look forward to continuing our efforts to improve student learning.

Great Year!!!

Others need to successfully manage the tasks such as learning, forming relationships, communicating effectively, being sensitive to others' needs and getting along with others. The skills needed to successfully manage the tasks are learning, forming relationships, communicating effectively, being sensitive to other people's needs and getting along with others.

Lansdowne's Compass Discipline Program is a comprehensive classroom management and social-emotional curriculum. It is based on current brain research, child development theories, and developmentally appropriate practices. Compass Discipline theory specifically describes what to expect in the classroom, how to manage behavior, and how to respond to behavior. The program aims to help teachers create a positive learning environment for all students.

During the program, teachers will learn how to manage their classroom and provide a safe and supportive learning environment. Teachers will learn strategies to manage behavior, set clear expectations, and create a positive classroom culture. The program will also include ongoing training and support for all staff members.

Our Goals

Lansdowne Elementary School is committed to providing a safe, supportive, and positive learning environment for all students. We believe in the power of education and are dedicated to helping our students reach their full potential.

[Texto]
Este año estamos dedicados a continuar el progreso de nuestros estudiantes, mientras seguimos arraigados en nuestra visión, misión y creencias fundamentales. Estos principios son la base sobre la que continuamos construyendo cada año:

Las Escuelas Públicas del Condado de Baltimore estarán entre las escuelas de mayor rendimiento en la nación como resultado de crear, mantener e invertir en excelencia para cada estudiante, cada escuela y cada comunidad.

Visión de la Escuela Primaria Lansdowne: La Escuela Primaria Lansdowne creará, sostendrá e invertirá en una cultura de alfabetización, colaboración y resolución de problemas para nuestros estudiantes, la escuela y la comunidad.

Declaración de misión: Cada estudiante en Lansdowne recibirá educación de la más alta calidad en un ambiente seguro que fomente relaciones positivas, resulte en estudiantes competitivos a nivel mundial preparados para su universidad y/o carrera elegida.

Declaración del Código de Conducta de la Escuela:
En Lansdowne Elementary, I
1. Respetarme a mí mismo y a los demás,
2. Sé dueño de mi comunidad,
3. Actuar con seguridad, y
4. Sigue siendo responsable de mis elecciones.
¡Escúchame RUGIR!

La equidad sigue siendo clave en nuestra planificación y operaciones escolares. Entramos este año con un compromiso renovado para garantizar que todos los estudiantes tengan acceso a una instrucción de alta calidad mientras nutren sus necesidades sociales/emocionales. Las relaciones sólidas entre estudiantes y maestros, así como entre maestros y familias, son la base de este trabajo. Reconocemos que este proceso no siempre será fácil o cómodo, pero también creemos que vale la pena el esfuerzo.

Myriam Yarborough es la nueva Superintendente de las Escuelas Públicas del Condado de Baltimore. Esperamos implementar cualquier objetivo nuevo/actualizado que pueda ser parte del enfoque del Dr. Yarborough.

"Saludos, Equipo BCPS--
Estoy verdaderamente agradecido y honrado por la oportunidad de servir y asociarme con los estudiantes, el personal y las familias y construir sobre nuestra visión compartida de que BCPS puede y estará entre los sistemas escolares de mayor rendimiento en la nación. Desde el comienzo de mi carrera educativa en Woodlawn High School hace casi 27 años hasta mi reciente papel como superintendente adjunto de BCPS, mi misión ha sido escuchar y aprender de nuestros estudiantes, personal y partes interesadas, y liderar y capacitar a los equipos para eliminar las barreras para el éxito de los estudiantes.

Estoy muy orgulloso de ser parte de este increíble sistema escolar. Tenemos más de 20,000 empleados comprometidos que trabajan incansablemente para mejorar los resultados de los estudiantes, socios fuertes dedicados a invertir en nuestros estudiantes y familias solidarias y comprometidas. Nuestro condado tiene una rica historia, y celebramos la diversidad de nuestros estudiantes que representan a más de 138 países y hablan casi 150 idiomas. Sin embargo, si bien están sucediendo grandes cosas en nuestro sistema escolar, debo reconocer la necesidad urgente de revertir la tendencia de disminución del rendimiento académico y mejorar el clima y la eficiencia operativa. Hay un trabajo significativo ante nosotros y me comprometo a liderar con un sentido de urgencia, escuchar con propósito, evaluar a fondo nuestras áreas de fortaleza y oportunidad, e implementar planes de acción estratégicos. El trabajo urgente que tenemos por delante va a llevar a todos los miembros del Equipo BCPS a hacer la diferencia que queremos ver en nuestras escuelas.
Espero asociarme con usted en nombre de nuestros 111,000 estudiantes. Por favor, no dude en ponerse en contacto conmigo para compartir sus pensamientos, preocupaciones e ideas.

En asociación,
la Dra. Myriam Yarborough
Superintendente"

The Compass: Our Pathway to Excellence
El edificio para estudiantes que los estudiantes conocen con el nombre de "El edificio" fue construido en 1967 como parte del ampliamente reconocido programa de la escuela secundaria. El edificio cuenta con instalaciones deportivas, laboratorios de ciencias, salas de clase y un área de recreación.

La escuela secundaria también cuenta con un gimnasio, un auditorio, una biblioteca y una cafetería. Los estudiantes tienen acceso a computadoras en todas las salas de clases y en la biblioteca. La escuela también tiene un programa de extracurricular que incluye deportes, clubes y actividades artísticas.

El edificio para estudiantes es conocido por su arquitectura moderna y su diseño funcional. El espacio de estudio es amplio y cómodo, lo que facilita el aprendizaje de los estudiantes. La escuela también cuenta con un personal de educación dedicado y capacitado, que se encarga de que los estudiantes logren el máximo rendimiento académico.

La escuela secundaria también ofrece programas de aprendizaje personalizado para los estudiantes que requieren un enfoque académico más individualizado. Los estudiantes pueden elegir un currículo que se adapte a sus intereses y necesidades personales.

La escuela secundaria es conocida por su alta graduación y sus excelentes resultados en exámenes estatales y nacionales. Los estudiantes son motivados a alcanzar sus mejores puntuaciones y desarrollar habilidades valiosas para su futuro académico y profesional.
