

FEEDBACK

We believe parents and staff working together to make decisions in the education and success of their children.

Parents help to:

- Decide how to spend family involvement funds
- Develop this family engagement plan, the home school compact and the school progress plan.
- Educate staff on how to work with parents as partners to effectively communicate with families as equal partners.
- Determine how the school collaborates with parents and families as equal partners to support the child's education.
- Offer comments and/or express concerns about the school progress plan.

We need your feedback! Please feel free to email us with any questions, ideas, comments, or concerns about the family engagement plan, school progress plan, home school compact, anything else regarding school practices.
