Making a Difference

An old man walked up a shore littered with thousands of starfish, beached and dying after a storm. A young man was picking them up and flinging them back into the ocean. “Why do you bother?” the old man scoffed. “You’re not saving enough to make a difference.” The young man picked up another starfish and sent it spinning back to the water. “Made a difference to that one,” he replied.

You can make a difference every day.

In search of...

We are looking for some items that will help our students make art!

For Photo:
If you have a 35mm film camera that you no longer use, maybe you’d like to donate it to the Art Department!
Our photography students learn to process and print 35mm film. Cameras with manual settings are most helpful for them (especially Pentax K100s because they are the most basic and easy to learn). Camera donations we’d appreciate:
- will have manual control of the shutter speed and aperture
- will have a working light meter
- will be functioning and have no broken or missing parts

For Fundamentals of Art and Drawing and Painting courses:
Unique everyday objects that would be interesting to draw (lots of details, parts, asymmetrical) and can be held in one hand.
Example- game controllers that don't work, old over the ear headphones, small tools, kitchen gadgets or electronics, small toys

Questions? Email lmiller19@bcps.org
You can drop off these items or send these items to school with your student to room 310
Looking for ways to get involved with the THS art community? Want to support our student artists? Look no further!

TAPA is a volunteer group of parents who support the visual arts programs at Towson High School. There are many ways to get involved in supporting our creative community, and we need your help!

TAPA Members:
- Help with managing art events, like the Art Auction, Showcase, Edible Art, Field Trips
- Gather donated prizes from local businesses for our annual community Edible Art contest
- Donate items for student led art projects
- Select the winner of the Senior Purchase Award- a scholarship given to a Senior artist whose work is then permanently installed in the THS Gallery

Meetings are virtually held throughout the school year the second Tuesday of the month from 5:00pm-5:30pm.

The Towson High School Science National Honors Society (SNHS) had a successful year both helping students at Towson as well as going into the community to engage in scientific practices with our feeder schools and Towson University.

Two of our outreach events involved helping participate in and judge the recently revived Dumbarton Science Fair, as well as leading experiments and demonstrations for 5th graders at Riderwood Elementary.

Here, at the end of the year, we wanted to share some of these moments that helped define the SNHS experience.

Students are eager to show off their bike riding skills as they apply rotational physics to bicycles.

Riderwood 5th graders learn about the methods and economics of mining through a cookie activity from SNHS leaders.

The THS students (Class of 23, 24) stand with the DMS students (future THS class of 27, 28).

Riderwood students look at real Albatross bolus (regurgitation) and see the impact of plastic fishing lines on their population.

Towson High School juniors teach Riderwood students the joy of ice cream chemistry.

It may be exhausting teaching a cafeteria full of 5th graders science for an hour, but Towson's SNHS students are still able smile afterwards.
On May 25, 2023, Notre Dame of Maryland University held the EP-PIC Program Completion Ceremony on campus. THS TAM Students Olivia Zitko, Ray Aoki, and Ava Johnson attended. The EP-PIC program provided a college level course, 3 college credits, and a FREE laptop to selected TAM students. Notre Dame recognized students who participated with an award and a lovely dinner.

Effective July 1, 2023, the non-transported zone for high schools will be expanded from 1.5 miles to 1.75 miles.

As a result, students that live 1.75 miles or less from the school will be designated as “walkers” and will not receive a bus assignment for the 2023-2024 school year.

What is GSA?

The Gender & Sexuality Alliance is a student-run, school-sponsored club that supports and welcomes LGBTQ+ youth and allies.

What do you do during GSA club meetings?

We can do almost anything club members are interested in!

Hang out, play games, have fun!!

play games like Queer Jeopardy, UNO, board games...

try out some 'drag makeup!'

connect with other trans and queer students at THS

enjoy snacks, movie nights, pin-making, crafts

share info & participate in local and community events and activities (like Rodgers Forge Pride June 17th!)

GSA club is a safe and supportive environment ~ Students work to create safe spaces and talk about the various issues they face in school, home, or their broader communities, such as discrimination, bullying, & anti-LGBTQ legislation & rhetoric

Collaborate with other school's GSAs

Plan social events, spirit weeks, fundraisers

Safe Space
COMMUNITY AGREEMENTS

1) Be Respectful of the Space & of Others
2) Respect People’s Boundaries
3) Be Welcoming and Inclusive to Others
4) Have a high SENSITIVITY level to the feelings of others.
5) Use of any slurs such as the “f-slur” or the “d-slur” (with the exception of the word “Queer”) will not be tolerated, even by those who can reclaim them.
6) Bullying/teasing/“picking on” other students is not tolerated, especially bullying based off identity. NO BIGOTRY.
7) Giving pronouns encouraged, but not required
8) Confidentiality
9) DISCUSSION RULES:
10) RESPECT CONFIDENTIALITY.
11) ASSUME NOTHING—EXCEPT FOR BEST INTENTIONS.
12) USE “I” STATEMENTS.
13) AVOID MAKING GENERALIZATIONS.
14) BE MINDFUL & SENSITIVE to the FEELINGS of OTHERS

ACTION & ACTIVISM

Direct action can come in many forms, including anti-slur campaigns, days of LGBTQ+ sensitivity or awareness, teacher trainings, and lobbying sessions to let school district officials know what they need to live authentically and thrive in school.

Students take a leadership role to improve school climate through campaigns and events that raise awareness and change policies or practices in their schools.

A growing body of research confirms that the presence of a GSA has a positive and lasting effect on student health, wellness, and academic performance. It can also protect students from harassment based on sexual orientation or gender identity and improve school climates for all students in the long-term.
