Office hours: Monday – Friday; 9:00 a.m. – 4:00 p.m.

REGISTRATION NOW OPEN!
Register at: www.rockprogram.org.

R.O.C.K. is an After-school support program for middle school students. Our purpose is to prepare students for school and grade transitions. We prepare students for the world to become better contributors to society with activities of social and emotional skills to easier withstand the wiles of their peers and the world.

We work with students to become better organizers, encourage students to build critical thinking, and assist with social skills.

We are also available if you even just need a safe place for your child to go after other after-school activities until you can arrive to pick him/her up.

DAYS: Monday - Friday
A.M. HOURS: 6:30 A.M. – 7:20 A.M.
P.M. HOURS: 2:00 p.m.– 5:30 p.m.
FEES: Go to our website for prices and registration. We also have individual drop-in day rates.
