The 3D Foundation is proud to announce that the **“3rd Annual Stomp the Runway for Autism”** will be held on Saturday, October 7, 2017 at The PALLADIUM BLDG; located at 2900 Liberty Heights, Baltimore MD, 21215. The 3D Foundation, Inc., is a 501(c) 3 non-profit organization whose mission to continue offering much needed assistance and resources to important programs within our community. In an effort to provide parents and their families the tools they need to navigate through schools, we provide assistance in the form of funding to programs that foster career skills, personal development, computer skills and life goals to ensure that our students with unique learning styles have the tools necessary to become more independent. Our focus is helping our students with new equipment, book bags and educational tools. We hope that we can count on your support to help our children with Autism and unique learning styles enhance their perception and see themselves in 3D.

The 3D Foundation has chosen Milford Mill Academy and Cedarmere Elementary School as our two focal schools to assist our students and staff this year. We also would like to honor one or two of your outstanding staff members at the event for all the hard work they do. To better service your school needs, we would like to know of the devices that would enhance your class.

Flyers regarding the event will be sent to your schools in September of 2017 at the beginning of the school year. We would also like to give away tickets to one deserving staff person as a thank you. Looking forward to hear from you and feel free to contact Mr. Derrick D. Dixon at 443-474-4694 or Ms. Summar Goodman at 443-928-0280 for more information.
