Dear Potential Athlete,

My name is Mr. Hruz, and I am the athletic director here at Perry Hall. I would like to welcome everyone to the 2023-24 athletic school year. Below in this document, you will find our mission and vision statements, as well as all the fall sports tryout information sheets. Please take some time to review the rules and regulations, grading policies, and ticket information for all sports played in the stadium and gymnasium during the school year. I hope this information answers many of your questions and helps to bridge a smooth transition to your high school athletic experience.

**PHHS Athletics Mission Statement:**
The Perry Hall High School Athletics Department is committed to providing our student-athletes with equitable opportunities to learn how to develop character and leadership throughout their lives by focusing on our core values of genuineness, accountability, thoroughness, optimism, and respect.

**PHHS Athletics Vision Statement:**
The Perry Hall High School Athletic Department seeks to graduate leaders from diverse backgrounds and perspectives who have learned how to compete the right way on and off the field or court through their commitment to honesty, accountability, hard work, positivity, and respect in all that they do.

**Core Values:**
- Gators are GENUINE: Playing like a Gator means always being honest. Gators play fair and do not look for shortcuts. Gators do not use dishonesty for gain on or off the field or court.
- Gators are ACCOUNTABLE: Playing like a Gator means expecting to be counted upon by coaches and teammates and fulfilling those expectations. Gators own it when they make a mistake and work to repair trust and do better the next time.

TRYOUT INFORMATION

Tryouts will be held at the PHHS Gym, from Wednesday (8/9) to Saturday (8/12) from 11:30am-1:30pm.

Cuts will be made on Friday and/or Saturday. If a player will miss the tryout period (those days mentioned above) with the reason for their absence and to request a later tryout date.

Players should wear appropriate clothing for physical activity (e.g. t-shirt, shorts, socks, and sneakers, etc.) and bring: (1) water and (2) a racquet (if you have one). If you do not have a racquet, the coach has a limited number that can be lent out.

PRE-TRYOUT REQUIREMENTS

- All students must have a 2.0 GPA with no more than one E for the 4th quarter from the previous year (a.k.a. Spring 2023) in order to be eligible to try out for the Fall sports season.
- Register using Form ReLeaf (https://app.formreleaf.com/organizations/perry-hall-high-school). Note: Registration will open for the Fall 2023 season normally at the start of July.

- Join the “Perry Hall High School Badminton” group in Schoology with the following code: DCF8-MJQX-2C42D

PRACTICE INFORMATION

- Practice will almost always occur in the PHHS Gym.
- Before teachers go back to school, practice will likely occur from in the morning/afternoon every weekday with the occasional Saturday practice.
- After teachers return to school, we will have a weekly schedule with some earlier and some later practices. The tentative plan is to have Monday/Thursday/Friday practice from 2:45-4:30pm and Tuesday/Wednesday practice 3:30-5pm. This depends on the volleyball and badminton schedules, but we hope to have a relatively consistent schedule.
- Further scheduling details will be provided after tryouts conclude.

The Perry Hall High School Athletic Program is committed to promoting the proper ideals of sportsmanship, ethical conduct, and fair play at all athletic contests. We oppose instances and activities which run counter to the best values of athletic competition in order to insure the well-being of all individual student-athletes. We support high standards of good citizenship and propriety, along with regard for the rights of others.

PHHS supports the philosophy that a quality interscholastic athletic program is vital to the positive social, emotional, physical, and educational development of students. The interscholastic athletic program enhances and supports the mission of the school system to increase student achievement as evidenced by the county wide All-Academic team and the statewide Minds in Motion program.

**Sportsmanship:**

The development of productive citizens for society through demonstrated acts of sportsmanship shall be the top priority of interscholastic activities. Good sportsmanship is best described as commitment to fair play, ethical behavior, and integrity. Sportsmanship is characterized by generosity, genuine concern for others, and a view of the opponent as a competitor, not an adversary.

All athletes shall abide by a code of ethics which will earn them the honor and respect that participation and competition in interscholastic athletics affords.
Rules and Regulations .02 Athletic Eligibility.

Students are ineligible if:

I. They have less than a 2.0 grade point average with no more than one failing, incomplete, or medical grade in the marking period prior to the start of the season of participation. This provision does not apply to incoming 9th grade students for fall eligibility.
   A. First, second, third, and fourth marking period will be used for determining scholastic eligibility for winter, spring, and fall, li. The ending dates for marking periods shall be designated on the BCPS approved calendar.

II. They re-enter school after withdrawing and their work or conduct at the time of withdrawal was such that they would not have been eligible in the marking period.

III. They did not attend school the marking period prior to the intended participation.

IV. They are failing a class at the time of withdrawal in addition to another failure.
   A. The students shall be penalized for the withdrawal failure for one marking period only. Any first semester course or full year course dropped prior to November 15 will not be counted in determining eligibility. The date for dropping a second semester course is prior to April 15.
   B. A multi-hour course is counted as multiple courses when determining whether a student has maintained a 2.0 average but is counted as one course when determining the number of failed classes.
   C. A student who is eligible during a marking period who does not maintain a 2.0 average with no more than one failing grade at the close of that marking period becomes ineligible to play on the day report cards are distributed.
   D. A student who is ineligible in a marking period can become eligible to play no earlier than day report cards are distributed. However, this student can become eligible to practice on the day designated as the end of that marking period in which the ineligibility occurred.
E. The return of an ineligible player is at the discretion of the athletic director and principal.

**Tobacco-Free and Smoke-Free School Environment Policy Statement:**

I. The Board of Education of Baltimore County (Board) is committed to providing a tobacco-free and smoke-free school/work environment for its students, employees, and the general public. The Board recognizes that the use of tobacco products is a health, safety, and environmental hazard.

II. The Board further recognizes its obligation to promote healthy learning and work environments.

**Eligibility:**

A student-athlete or coach who is ejected from a game for unsportsmanlike conduct (which includes use of tobacco or tobacco-like products: see Board Policy page 24a), or fighting will not be allowed to participate in the next game.

A substitute who leaves the team box and enters the playing area during a fight will be ejected.

The SECOND time a student-athlete or coach is disqualified in the same sport or any other sport during the school year, the penalty shall be doubled.

Any coach disqualified for a SECOND time during a school year or any coach who has three or more players disqualified during a school year is required to appear before the Coordinator of the Office of Athletics.

The THIRD time a student-athlete or coach is disqualified in the same sport or any other sport during the school year shall result in immediate dismissal from the team for the remainder of the season. The offending student-athlete or coach shall be prohibited from any further participation in the interscholastic program for the remainder of the school year. Interscholastic participation by such individuals in subsequent school years may be jeopardized and will be judged on a case-by-case basis.

An ejection or disqualification prevents a player or coach from attending the next
regularly scheduled contest site (this includes bus, locker room, sidelines, bench, stands, or anywhere on the contest site).

When the ejection or disqualification takes place during the last game of the season, the penalty will be served at the start of the next season in that sport.

If the penalty cannot be served because of resignation or graduation, the school’s administration must take appropriate action and provide written documentation of such to the Office of Athletics.

Any player or coach who physically assaults an official, coach, player or spectator shall be immediately dismissed from the team for the remainder of the season.

Once a player or coach has been disqualified, appeals from a coach, player, official, or other party will not be honored.

**Failure of the school to enforce these policies for any reason shall prohibit that school from participating in any county, region, or state post-season play.**
