January 17, 2025

Dear Randallstown Elementary Families,

I hope this message finds you well and staying warm during this cold weather. We are writing to share important information about the virtual learning plan for Baltimore County Public Schools (BCPS) in the event of inclement weather.

Starting this year, BCPS will transition to **synchronous virtual learning on the fourth snow day**. This means students will be required to log in to Google Meet and follow the virtual learning schedule. The schedule has been posted on our Randallstown Elementary School (RES) website for your reference.

Please make sure to watch the news and accept all BCPS robo-calls to stay informed about when the fourth snow day has been declared, and virtual learning will take place.

Device Information

Devices have already been sent home with students to prepare for potential virtual learning days. However, **chargers have not been sent home**, so it is critical that students use their devices **only for school-related activities**. When not in use, the devices should be powered off to conserve battery.

Devices must be returned to school when we reopen. Please note that families are responsible for the cost of **broken or lost devices**, so we encourage you to handle them with care.

Virtual Learning Schedule

On virtual learning days, instruction will begin at **11:20 AM** and end at **3:30 PM**.

If you have any questions or concerns, please feel free to reach out to your child's classroom teacher for support.

Thank you for your attention to this matter and for helping us ensure a smooth transition to virtual learning when necessary. Stay warm and safe!

Michelle Valerio
Principal
Randallstown Elementary School

Tiffany Kershaw
Assistant Principal
Randallstown Elementary School
