June Jacksonville Newsletter

Message from the Principal:

As I look out my front window here at school, I’m beginning to see the signs that summer is upon us, and the end of the school year is growing ever closer. I am so proud of how hard our students and staff work each day as I walk through the hallways! Our scores on reading and math assessments and MSDE rankings continue to demonstrate the hard work taking place here at our school. I am forever grateful for the school community we have created.

THANK YOU to everyone who helped and participated in the field day these past few weeks. It is so nice to see families and students participating in the activities. Special thanks need to go to our PE teachers, Jennie Springer and Karla Lee for their hard work in creating these memories for our kids! Thanks also needs to go to our PTA for providing Kona for everyone.

With the end of the year comes some goodbyes and some new welcomes! This year we have 4 of our fantastic staff members stepping into a well-deserved retirement.

**Congratulations**

Julie Sullivan
Barb Bensen
Mary Kunkel
Helen Terry

The impact these ladies have made on Jacksonville is immense. We will miss them dearly and cannot wait to hear about their new experiences!

With the retirement come some new faces and changed positions in the building.

Kim Campbell: 10 month Office Assistant
Kelly Stewart: Library Media Specialist
Dawn Kirchner: Kindergarten
Kelle Patton: Grade 3 Math
Laurie Fink: Grade 3 Math
Megan Patton: Grade 5 Advanced Math
Kelly Marquette: 3-Year-old Program teacher

**Brendan Ferrar: First Grade teacher**

In closing, please make certain your child spends time this summer reading and enjoying the outdoors! Thank you for an amazing school year!        Debbie Miller
From Nurse DuCroix:

All medicines at school must be picked up no later than the last day of school. We are unable to send them home with your child. All medicines not picked up by the last day will be discarded.

From the Front Office:

Baltimore County Public Schools’ policy requires that all students transitioning from Grade 5 to 6 and Grade 8 to 9 be required to verify residency prior to the start of the school year. Provisions for student enrollment and attendance are outlined in Board of Education Policy and Superintendent’s rule 5150, STUDENTS: Enrollment and Attendance. Students enrolled as homeless, shared domicile, or students in State supervised care are exempt from this process since this is done annually for these students.

To comply with the re-establishment of your residency, all incoming 6th grade students will need to provide the following documents to Jacksonville Elementary by June 13th of the current school year.

- Your signed lease, if you rent (*include renewal letter, if applicable) -
- Your signed deed, signed settlement sheet, current property tax bill, or mortgage bill (dated within 60 days), if you own –
- Three (3) pieces of mail sent to your address within the last sixty (60) days from major companies, i.e., utility bill, bank statement, etc., and
- A parent/guardian photo identification.

Please be advised that failure to provide transition year residency verification will result in the withdrawal of your student from Baltimore County Public Schools on July 1st.

Please submit these documents as soon as possible.
Is your child missing something?? Lost and found items will be in the cafeteria area. Students are encouraged to look through the lost and found when items are missing. Parents are also encouraged to check the Lost and Found periodically during the school year. All unclaimed items will be donated this summer by July 1st.

Report cards will be sent home with students on the last day of school. Copies of your child’s report card will only be held until July 1st. Please make certain if your children are not attending the last days of school, they take home all their personal belongings on their last day. We will not keep any items past July 1. All items will be donated or disposed of appropriately.

It's SUMMER Time

See you in August!
