

Manor High School
Spring 2024 –Recovery Plan
March Attendance Madness Month

Dear Parent/Guardian,

Your student has been identified as eligible to participate in a wonderful opportunity! Your student failed a class in the first semester and they can participate in our recovery program to earn the credit without having to attend summer school.

Our PBIS/SOL - March Attendance Madness Month will offer an opportunity for students to attend school on 4 Saturdays to recover attendance and credits from the first semester. Students that failed a class in the fall have an opportunity to earn a passing grade by completing the program.

In order to participate, students must:

1. Attend ALL FOUR Saturdays
2. Arrive on time by 9am and stay until 12pm
3. Have transportation to and from school

Saturday dates: March 2; March 9; March 16 and March 23
(9:00 a.m. – 12 noon)

Students have discussed this program and expectations with their school counselors. If you have questions, please contact your child's school counselor below.
